

Mandy and Rod McCracken Motivation

Life can change
instant.
How would you

Mandy and Rod McCracken
lived through an extraordinary
change to their lives.
Mandy lost all four limbs
of a bacterial infection
endless surgeries and
rehabilitation she is up
and along with her family
to the full.

Rod and Mandy tell an incredible story of love and hope. The
sense of humor they and their three girls have kept smiling
to put their lives back together.

Community spirit, mental strength and keeping nothing hidden
keep these two so focused. They have filled their days with
positive energy and take great joy in spreading this to anyone.

Mandy & Rod now offer talks that can cover a number of key
points:

- **Motivation & resilience,**
- **Question life & think differently,**
- **Community building & the importance of**

With a background in teaching, community leadership and
they have an extraordinary view of life and how to survive
downs. Their incredible and entertaining story will open your
beauty in the world and remind you that we should never
for granted.

*I want to inspire people.
I want someone to look at me
and say, "because of you
I didn't give up." Anon.*
